

PRODUCT INFORMATION

Category	Speciality Filled & Reinforced Polypropylene Compound
Grade Name	ATP PLAST X DTN2
Features	High Flow, UV Stabilized, Impact Modified Polypropylene Compound having very good Stiffness
Application	Automotive
Component	Door Trim & Various Interior Parts

Typical Properties	Test Method	Units	Typical Value
Melt Flow Index	ISO 1133	Gms/10min	26
Specific Gravity	ISO 1183	---	0.90 ± 0.01
